# INTERIOR MAKE-OVER

**Rijnmond Air Services BV**

Location: Rotterdam Airport - EHRD

Adress: Rotterdam Airportplein 54  
3045AP Rotterdam  
The Netherlands

IF YOUR INTERIOR LOOKS LIKE THIS...

Aircraft: Fairchild Metro III SA227

LET US CHANGE IT INTO THIS..

Changing the complete look and feel of your aircraft interior can be done with basic interior refurbishment techniques thanks to our care for the result and the use of high quality Swiss fabrics and leather. With skilled craftsmanship and the use of these high quality products we are able to deliver a final result that is beyond your expectations.

WITH CARE FOR DETAIL..

Oxygen mask in front of your seat  
Oxygen masks overhead  
No smoking when oxygen is in use  
Head plug must be removed to stop  
oxygen flow  
Life vest under front of your seat  
Fasten seatbelts while seated

No f...  
El con...  
de r...

Eye for detail and care for the final product makes the difference between a fresh looking interior and a VIP finish.  
At RAS we care for our products as if they were our own.  
This guarantees an excellent result at very competitive pricing.

EFFICIENT!

Rijnmond Air Services BV

Fax: +31 10 4379232

RAS is EASA Part-145 approved for Base and Line Maintenance. We can perform interior work on seats, side panels, mouldings, carpets etc. while these have been removed for maintenance access, structural inspections etc. This will ensure that your interior upgrade is not only efficient but also very cost effective.

Please contact us for all your interior and maintenance needs.

*We Care!*
